

**Invitation to Qualify (ITQ) Contract 4400018437,
Invasive Plant Pest Management & Mitigation Services
Amendment #6 to Statement of Work**

The following modification has been made to Contract 4400018437:

Description of Service Category:

Bullet point #4 increases the quarantined area from 45 counties to 51 counties, which now include the added counties of Butler, Clearfield, Clinton, Fayette, Lawrence, and Somerset.

The following changes are made to the Contractor Duties:

Item D.2. has been revised to read, *“All trees treated with systemic insecticide are to be marked on at least 3 sides with any colored paint other than red OR basal dyes will be used.”*

The following changes are made to the Rate Card:

Under the Service Type Category – Broadcast Spray of Contact Insecticide (non-railroad):
Expanded from one (1) to five (5) sub-categories.

Rates were changed for most Service Type Categories.

This amendment is effective April 1, 2023. Except as amended by this Contract Amendment Number #6, all other items of the Statement of Work shall remain as originally written or previously amended.
